

# Air Everywhere Pty Ltd Building Careers in HVAC Services

**Role:** Leading Hand HVAC Technician (Domestic & Commercial Specialist)

**Pay Scale:** \$35 -\$40 per hour

**Location:** Adelaide, South Australia

**Commencement:** ASAP

## Position Description:

We are looking to hire a Leading Hand, HVAC Technician to join our growing Air Conditioning Contracting Business based in Lonsdale. Our clients are largely focused around central and greater Adelaide, however, occasionally we take on projects outside of Adelaide.

## Our Ideal Candidate:

You will be a specialist Refrigeration Technician, with a key focus on installing, commissioning, servicing and repair of air-conditioning systems throughout the Commercial & Domestic markets. We are looking for someone with the ability to run a range of jobs, and whether high end or fast turnaround, keep their focus on good service & quality workmanship.

## To sum up, on a day to day basis the role will include:

- AC Installation & Maintenance for a range of residential and commercial clients
- General Residential/Commercial Electrical
- Residential/Commercial Rough-in and Fit off
- Mentoring/Training Apprentices

## To be eligible for this role you'll need:

- Construction industry card
- Trade Certificate in Refrigeration and Air Conditioning
- Full Refrigerant Handling License
