

Air Everywhere Victoria Pty Ltd

Building Careers in HVAC Services

Role: 2nd , 3rd or 4th Year Apprentice (Domestic & Commercial Specialist)

Pay Scale: Award

Location: Melbourne

Commencement: ASAP

Position Description:

We are looking to hire a 2nd, 3rd or 4th Year Apprentice Refrigeration Mechanic to join our busy Air Conditioning Contracting Business based in Melbourne. Our clients are largely focused around central and greater Melbourne.

Our Ideal Candidate:

Will be well presented, have a can-do attitude, be customer focused and keen to build a successful and rewarding career within a dynamic, growing business. As an Apprentice with Air Everywhere Victoria you will be a valued employee, and play a key part within the business.

Key Requirements:

- VIC Drivers License
- Excellent customer service and communication skills
- Basic hand tools
- Good time management
- Positive attitude, professional, presentable, honest & reliable – the usual things, no crazy expectations here.

Key benefits:

- Work alongside a young, dynamic and professional team
- Work with a great portfolio of clients
- Varied and interesting projects/opportunities
- Plenty of scope to grow within the company
- Rostered Days Off & Team Social Days
- Opportunities for Dual trade for the right applicant and to grow your skills
